40. Any additional information which you may wish to add:

The applicant is well aware that the work record herein goes back but one year. I'd be glad to furnish the Company an exhaustive account of my employment back to 1935.

There is little purpose to be served in this, however, never have I held a position for longer than one year (i.e.: a contract with \_\_\_\_\_).

There is no way that I can deny an obvious fact: I seem a poor risk for consideration as a permanent employee. Yet time has traumatically cured me of "get rich quick" schemes and I'll not be easy prey of anyone in the Orient who holds out an extra hundred a month as bait. Am acutely aware that I'm 32. Too old to be a co-pilot in most countries and unions, seniority rights, et al, are gradually precluding my hiring out as captain. CAT may be my last chance for a fine job. Be that as it may: if you do hire me and I do leave, for whatever reason, there will be little doubt in the minds of those concerned but that I will have done my best.
